

MOMENTUM™

Liquid De-Icer

USES AND APPLICATIONS

MOMENTUM™ De-icer should be applied at the rate of one to two gallons of liquid per 1000 square feet application area. Do not saturate application surface when applying. The amount of MOMENTUM™ De-icer will vary depending on location, weather and timing.

Anti-Icing (Pre-treat)

To help prevent ice and snow from bonding to paved surfaces, apply MOMENTUM™ De-icer to paved surface **prior** to winter storm. **Do not apply if raining.**

De-Icing

Apply MOMENTUM™ De-icer directly to ice and snow to remove icy build up from paved surfaces. Depending on the snow/ice depth, repeated applications may be required.

Mixing with Sanding Materials

MOMENTUM™ De-icer can be premixed with sanding materials or added directly to sanding stock piles. To keep sanding piles fluid, add 2-4 gallons per cubic yard. To make an equivalent 15% sand and salt mixture, add 4-6 gallons per cubic yard. To make an equivalent 20% sand and salt mixture, add 6-8 gallons per cubic yard.

PRECAUTIONARY STATEMENTS:

May cause eye or skin irritation. May be harmful if swallowed. Wash hands thoroughly after handling. Wear eye and face protection. Do not breathe mist. Dispose of contents/container in accordance with Federal, state, and local regulations. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected.

FIRST AID:

Eye Contact - flush eyes with running water for at least 15 minutes. Skin Contact - wash from skin with soap and water. Ingestion - dilute with water or milk. If necessary, induce vomiting only when victim is conscious. Call a physician. Get medical attention if you feel unwell.

LIMITS OF WARRANTY: MEARS FERTILIZER, INC. and seller warrant that this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on such label only when used in accordance with the directions under normal use conditions. Except as specifically stated below, NO WARRANTIES, WHETHER EXPRESSED OR IMPLIED, ARE MADE WITH RESPECT TO THE PRODUCT OR IT'S USE, AND NO AGENT OF THE MANUFACTURER OR OF THE SELLER IS AUTHORIZED TO DO SO. Buyer and user of this product assume all responsibility for handling, storage and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond manufacturers and sellers control. In no case shall the manufacturer or seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.

PACKAGED AND DISTRIBUTED BY: MEARS FERTILIZER, INC. P.O. BOX 1271, EL DORADO, KS 67042

POWERED BY
MAGNESIUM
CHLORIDE

AVAILABLE IN:
30 Gallon Jug
55 Gallon Jug
250 Gallon Tote

CONTAINS:

	CAS #
Magnesium Chloride	007791-18-7
Shield AP Corrosion Inhibitor	Proprietary

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation. May cause skin irritation after prolonged exposure.
